

CENTD informa

Trends in Biotech & Research

Dia

03 de agosto de 2017 (quinta-feira)

Horário

09h30 às 11h15

Local

Auditório do Centro de Difusão Científica
(CDC - Instituto Butantan)

Palestrantes

Prof. Dr. Hansjörg Hauser
Head of Department of Scientific
Strategy, Helmholtz Centre for
Infection Research GmbH- Germany.

Chair: Ana Maria Moro

(Diretor of Biopharmaceuticals in Animal Cells)

Prof. Dr. Zia Shariat-Madar
Department of Biomolecular Sciences,
Division of Pharmacology University
of Mississippi, U.S.A.

Chair: Vanessa Olzon Zambelli

(Scientific Difusion - CENTD)

09h30 às 10h15

New mammalian cell lines for biotechnology
and research

Palestrante: Prof. Dr. Hansjörg Hauser

10h15 às 10h30

Coffee

10h30 às 11h15

Identification of medicinal plant extracts and
plant-derived compounds that inhibit Hageman
Factor (FXIIa)

Palestrante: Prof. Dr. Zia Shariat-Madar
